

2009 – A Review

ProbStat Forum, an e-journal launched in March 2008, has published four issues of it in January, April, July and October of 2009.

Reviews of 12 submissions of 2008 were carried forward to 2009. Their status is:

Review completed: 12; Accepted: 7; Rejected: 5; Review to be completed: NIL.

During 2009 the editorial office received 22 submissions and their status is:

Review completed: 15; Accepted: 7; Rejected: 8; Review to be completed: 7.

Apart from the members of the editorial team, the following colleagues were also entrusted with the reviewing of various submissions to the journal which they did in a prompt manner. The editorial team of ProbStat Forum is thankful to them.
