Publication agreement

In order to publish your article in ***ProbStat Forum*** we need your agreement. Please take a moment to read the terms of this license.

By submitting your article for publication to ***ProbStat Forum***,

- You declare that the article is your original work, has not previously been published, and is not currently under consideration by another publication. You may use the article, in whole or in part, as the basis for your own further publications or spoken presentations after finishing the referee process in ***ProbStat Forum***.

- You also declare that the article does not, to the best of your knowledge, contain anything that is illegal or infringes anyone's copyright or other rights. If the article contains material that is someone else's copyright, you declare that you have obtained the unrestricted permission of the copyright owner to use the material and that the material is clearly identified, cited and acknowledged in the text.

- By submission of a manuscript, the corresponding author confirms that all co-authors agree with this declaration and have seen and approved the validity of the contents and approve the manuscript's submission. On behalf of all co-authors, the corresponding author shall take complete responsibility for the submission. No authors will be added or removed post submission unless the journal editor and all co-authors are informed and are in agreement to this change.
